LET'S MAKE IT AN EVEN DOZEN

Past President W. Bruce Parnell of North Miami tells us that we will soon have an even dozen chapters in the AHS. This issue of the Seed Pod will probably not reach our readers until after their non-judged show has been held on July 30th at the Fine Arts Building at 12340 N. E. 8th Avenue, North Miami.

The city of North Miami has adopted the Hibiscus as their official city flower. They are going all out to make this show a huge success. There will be 500 hybrid hibiscus plants on hand to be given to the first 500 local visitors to the show. The Sunrise Chapter and other local members are helping Parnell to stage the exhibition.

The official organization meeting will be held at the same location on August 10th - 7:30 p.m. At this time the new chapter will be officially organized and officers elected.

Good luck, Bruce. Glad to have you aboard.
